

Assessing Groupwork

What are we assessing?

- Process
- Outcome
- Both

Who is assessing?

- Tutor
- Students (self and/or peer assessment)
- All

How are marks allocated?

- Group mark – all get the same
- On basis of individual contribution
- Combination mode

How is consistency of marking ensured?

Across multiple assessment methods eg oral presentation, report, artefact; and when using a number of assessors – including students

- Clearly defined assessment criteria/schemes
- Appropriate preparatory training
- Moderation

What happens in the case of a failed group project?

- Second project for re-submission
- Alternative assessment method

Do all students evidence all outcomes?

Project work can be divided up with students focusing on selected tasks

- Additional assessment to ensure coverage
